Information for Purchasers

- Items offered for sale are subject to availability.
- We reserve the right to revise our prices without notice.
- All our day old chicks are sourced from RSPCA 'Freedom Foods' accredited Hatcheries and euthenased according to the Humane Slaughter Association guidelines.
- Wild game is steel or rifle shot to minimize the risk of harmful lead contamination. However, wild game **MUST** be checked for lead prior to use.
- Rodents are raised to the highest standards of welfare and hygiene and are fed on a quality diet, free from antibiotics, growth promoters or insecticides.
- All our products are sorted, graded and blast frozen prior to dispatch - please defrost thoroughly before use.
- In order to ensure our quality products reach you in prime condition, delivery can be arranged via our own freezer transport or using our unique StaKold packaging system at an additional charge.
